

VS 200 R Bp (RIDE ON SWEEPER)

VS 200 R Bp fully enclosed driving industrial floor sweeper with 200L large-capacity dust box allows the machine to be cleaned for a long time, the electric shock does not block and burn the machine. The big size wide side brush saves time and effort, and large area cleaning is not a problem. Spray dust suppression device is green, clean and does not raise dust. Integrated dual disc brakes with hands and feet prevent the machine from losing control and prolong the service life of the parts. **VOOT** maintenance-free battery can work for 4-5 hours when fully charged, and the brand endurance motor makes the power more durable and stable.

1 Cleaning Efficiency

- Clean 15000m² in 1 hour.
- 200L large capacity trash can, one-click vibration dust.
- 100L water tank for water sprinkler to suppress the flying dust.

2 Easy Operation

- Panoramic driving, safe operation at night.
- 700mm wide centre brush and 4 number of side brush which collect the dust much faster than other sweepers.
- Spray dust suppression.
- Integrated hand foot double disc brake for guarantee.
- Comfortable rubber steering wheel.
- Powerfull cooling fan for operator.

3 High Brightness LED

- Take control of cleanliness and drive with peace of mind.
- Safe declaration indicator.
- Eye-catching operation warning light.

VS 200 R Bp

- 200 L large tank capacity.
- Solid tires that increase the observability of the vehicle.
- Water Spray System.

TECHNICAL DATA

Make		VOOT
Sweeping Width	mm	1900
Battery	V/Ah	12/50 * 4
Sweeping and driving speed	Km/h	8/12
Coverage	m2/h	15000
Dirt Hopper Capacity	l	200
Water Tank	l	100
Weight	Kg	750
Dimension	mm	2450 x 1900 x 1950

EQUIPMENTS

Roller Brush	1 Nos With Machine
Side Brush	4 Nos With Machine
Dust Filter	1 Nos With Machine
Battery	8 Nos With Machine
Charger	1 Nos With Machine
Fan	1 Nos With Machine
Mirror	1 Nos With Machine
LED Light	2 Nos With Machine
Wiper	1 Nos With Machine
