

VSD 50/60 Ep

The ideal medium & high level model: VSD 50/60 Ep walk-behind, mains-operated scrubber drier with disc technology and 60 litre tank capacity for an area performance of up to 2,100 m²/h.

1 Affordable higher-level model.

- Excellent price-performance ratio.
- Reduced to the most important functions.

2 Large tank volume with compact dimensions.

- Extremely manoeuvrable.
- Offers a clear view of the cleaning surface.

3 Large working width.

- Integrated disc brush head with advance technology of bristle splash guard which increase life 10 times more than rubberised splash guard.
- For efficient cleaning of medium & large size areas.

VSD 50/60 Ep

- Bristle splash guard
- One disc
- Extremely easy to use
