

VWD 30/1

VWD 30/1 Wet & Dry Vacuum Cleaner is made of stainless steel body and it has 30 liter tank capacity. The robust castor wheels allow for easy movement for full control of the Outrigger during cleaning. Standard design and durable product with high rating. This dry and wet commercial unit is suitable for hotels, schools, workshops, office and much more. It comes with 230 millibar suction capacity which is much more higher for indoor cleaning requirements.

1 Compact, robust and mobile

- Excellent stability, easy manoeuvrability and convenient transport thanks to its slimline form and 4 castors.
- The bumper offers secure all-round protection for the vacuum cleaner and equipment

2 Excellent suction power

- VWD 30/1 devices with a powerful 1,200 W turbine reliably remove a wide range of dirt.
- For excellent cleaning results.

3 Filtration System / Filter cleaning

- The large hepa filter basket ensures optimal dust separation and enables permanent suction without filter bags.
- Filter can be clean easily during the machine operation thanks to semi automatic filter cleaning system.

4 Blowing System

- Inbuilt blowing system to remove the dust from unreachable area.

5 Filter Cleaning

- Semi automatic filter cleaning system.

VWD 30/1

- Manual filter cleaning system
- Accessory/suction hose storage
- Unique detachable blowing system.

TECHNICAL DATA
