

VWD 80/3 (WET & DRY VACUUM CLEANER)

The VWD 80/3 machines consists of large tank, powerful wet and dry vacuum cleaners with up to three motors. A complete portfolio of models, which demonstrates its advantages especially in wet & dry applications and when vacuuming coarse dirt. Strong suction power and proven VOOT quality at an affordable price.

1 Bumber & Accessories Attachments

- Large bumper with accessory storage.
- The robust bumper protects the machine from knocks and bumps.

2 Integrated drain hose

- The container is easy to empty via the drain hose. Extremely practical due to the very large 80 litre container capacity.

3 Ergonomic push handle

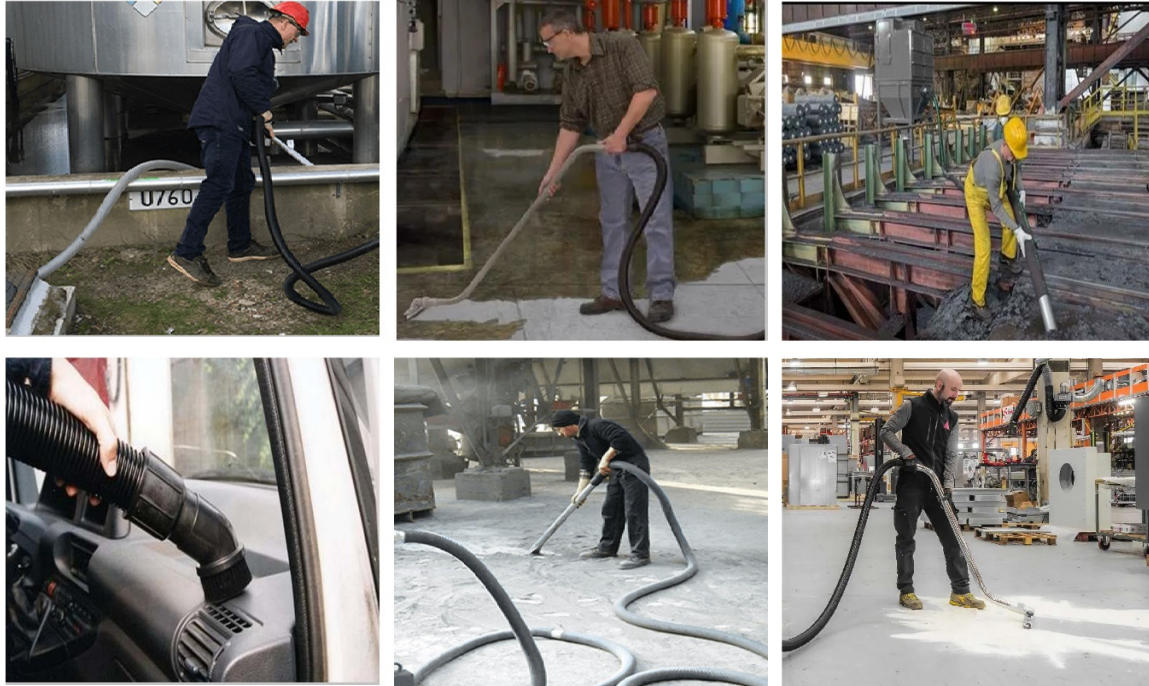

- The VWD 80/3 has an ergonomic push handle so that the machine can be pushed along.

4 Detachable System

- Unique ditachable blowing system to remove the dust from unreachale area.

5 Filter Cleaning

- Semi autometic filter cleaning system.

VWD 80/3

- Semi automatic filter cleaning system
- Accessory/suction hose storage
- Unique ditachable blowing system.
